

TERMS AND CONDITIONS FOR PUDDLE DUCKS CLASSES

Published 17th March 2025

1. Our Terms

- 1.1 **Please note that any mention of 'Puddle Ducks' in these terms and conditions covers both Puddle Ducks branded classes and Swim Academy branded classes.**
- 1.2 All those wishing to attend a Puddle Ducks class must agree to the terms and conditions set out below. In the unlikely event of a customer failing to abide by these terms and conditions, a customer may be requested to discontinue lessons with Puddle Ducks. In this instance Puddle Ducks will be under no obligation to provide a refund for any outstanding lessons.
- 1.3 **What these terms cover.** These are the terms and conditions on which we provide Puddle Ducks swimming classes to you.
- 1.4 **Why you should read them.** Please read these terms carefully before you book our classes. These terms tell you who we are, how we will provide classes to you, how you and we may change or end the contract, what to do if there is a problem and other important information. If you think that there is a mistake in these terms, please contact us to discuss.

2. Information about us and how to contact us

- 2.1 **Who we are.** We are Puddle Ducks Franchising Ltd a company registered in England and Wales. Our company registration number is 05879603 and our registered office is at The Grain Store, Hollins Farm, Off Twemlow Lane, Holmes Chapel, Cheshire, CW4 8GE. Our registered VAT number is VAT no. 895926259.
- 2.2 **How to contact us.** You can contact us by telephoning our customer service team at 01477 410085 or by writing to us at info@puddleducks.com.
- 2.3 **How we may contact you.** If we have to contact you we will do so by telephone or by writing to you at the email address or postal address you provided to us when you booked.
- 2.4 "Writing" includes emails. When we use the words "writing" or "written" in these terms, this includes emails.

3. Our Contract with you

- 3.1 **Booking a class**
 - 3.1.1 You can make a class booking over the phone with your local Puddle Ducks office or online at www.puddleducks.com.
 - 3.1.2 You must provide us with specific personal information in order to book a class with us. Full details of the information required is in our 'Data Protection and online security' section.

- 3.1.3 Once your booking is in place you will receive a confirmation email detailing what you have booked and providing you with links to relevant class and pool information, our latest Terms & Conditions and access to your personal 'My Puddle Ducks' online account where you can view your payment details at which point a contract will come into existence between you and us.
- 3.1.4 It is your responsibility to change the generic 'My Puddle Ducks' online account password issued by Puddle Ducks for first access or when resetting a forgotten password via your local office. This should be a confidential password, unique to you, which you should keep safe and secure.
- 3.1.5 You are able to allow a second parent/guardian to access your 'My Puddle Ducks' account by contacting your local Puddle Ducks office who will issue an additional web username and password.
- 3.1.6 All class timetables are correct at time of publishing. If your class time changes, your local office will communicate with you.
- 3.1.7 Holiday classes and photoshoots are run as separate events to our regular classes. Payment for these will be taken separately to your automatic monthly payments and will not affect your regular payment due dates.
- 3.1.8 All of our prices include standard rate VAT where applicable.

3.2 **Making Payment**

- 3.2.1 Puddle Ducks operates a monthly payment system where customers pay in advance to secure their space in their class. When you join Puddle Ducks, your joining payment will be for enough lessons to take you just past the date of your first monthly payment (which will be the number of classes up to and including your payment date plus the cost of 2 additional classes). The reason we take you just past that date is to ensure your space is secure, if, for instance, there was any issue with the taking of the monthly payment, it gives us time to rectify it without you dropping out of class and potentially losing your space. Monthly payments will be 4x lesson fee.

Payments will continue until such a time as you give us 30 days written notice to cancel this authorisation until which time you will continue to be responsible for the monthly payments incurred under your contract with Puddle Ducks.

- 3.2.2 Your monthly payment amount will be based on your current lesson fee reduced by any credits that are on your account. All your payment information will be visible on your 'My Puddle Ducks' online account 'Payments' page.

- 3.2.3 If you booked and paid online when joining Puddle Ducks, you agree to monthly payments as part of the booking process. If you paid by telephone, you will receive instructions on how to activate monthly payments and secure your child's continuing space via email.
- 3.2.4 The monthly payment will be taken from the card you made your initial payment on when you joined Puddle Ducks. If you want to change the card you can do so via your 'My Puddle Ducks' online account.
- 3.2.5 Using a 'Puddle Ducks Swimming Lessons Gift Voucher' to pay, or part pay, for lessons:
 - 3.2.5.1 New customers: If you would like to use one of our 'Swimming Lessons Gift Vouchers' to pay or part pay for your initial payment when joining Puddle Ducks, please input your unique voucher code on the basket page.
 - 3.2.5.2 Existing customers: If you would like to use one of our 'Swimming Lessons Gift Vouchers' to pay or part pay for lessons please redeem the voucher by logging into your 'My Puddle Ducks' online account, clicking on the 'Redeem Swimming Lessons Gift Voucher' button for the child the voucher belongs to, and inputting the unique voucher code. This will then reduce the next monthly payment amount. Alternatively, you can phone your local Puddle Ducks team at least one week before your next payment is due to be taken and they will process this for you.
 - 3.2.5.3 Please note that no change can be given if the cost of either your initial payment or your monthly payment is less than the gift voucher value. The excess gift voucher value will remain on your account and will reduce your next monthly payment.
 - 3.2.5.4 Please note that our gift vouchers expire 12 months after the date of purchase.
 - 3.2.5.5 Please note that gift voucher refunds can only be made to the person who purchased the voucher, for the full voucher value and to the card that was used to make the purchase.
 - 3.2.5.6 If you decide to leave Puddle Ducks at any stage, any gift voucher credit left on your account will stay there for the remaining lifetime of the voucher, to be used in the future or expire, whichever is first.
- 3.2.6 Twice yearly, in January and August, we will review how many lessons you have paid for in advance and may take a smaller payment.
- 3.2.7 Twice yearly, we will notify you by email as to the amount taken that month and your payment schedule for the next 12 months. You can

also view your payment schedule at any time via your 'My Puddle Ducks' account.

- 3.2.8 If you change class, we will send an additional email detailing your amended payment schedule for the next 12 months.
- 3.2.9 If your class fee changes you will be notified via email with a minimum of 30 days notice. Your revised payment schedule will be visible, online, in your My Puddle Ducks account.
- 3.2.10 In any month, if you have seven or more lessons paid for advance, no payment will be taken.
- 3.2.11 There may be occasions when we have to contact you to take an additional payment to ensure you have sufficient lessons paid for in advance before your next monthly recurring payment is due. This is to ensure you don't lose your space in your class.
- 3.2.12 It is your responsibility to make sure that there are sufficient funds in your account and that the saved card is valid. If an automatic payment has failed, we will retry 3 days later and you will be notified by email if unsuccessful. A manual payment to your local Puddle Ducks office will then be required to retain your space in the class.
- 3.2.13 Your monthly payments can be made by a card registered to someone other than the registered child guardian. This additional cardholder is easy to add to the account via your My Puddle Ducks log in.
- 3.2.14 See our [Monthly Payments FAQs](#) for more information.
- 3.2.15 If you wish to leave Puddle Ducks you must provide your local Puddle Ducks office with 30 days written notice (email is acceptable). You must pay for any of your lessons that are within your notice period. No further continuous authority payment will be taken beyond your 30 days notice period.
- 3.2.16 If you have paid for lessons that run beyond your 30 days notice period you can attend these or choose to have a refund. Any refund is made at the end of the 30 days. This is to take into account any lesson cancellation credits that may issued.

4. Lesson Changes or Cancellations by us

- 4.1 In the unlikely event of 'last minute' lesson changes or a lesson cancellation by us, you will be notified by us, by text message to your mobile phone, with as much notice as possible. Puddle Ducks will not reimburse any expenses incurred by a customer failing to pick up their message
- 4.2 If a lesson is cancelled by Puddle Ducks, we will offer you either (i) a place at a replacement lesson – details will be advised by your local Puddle Ducks office; or (ii) a credit for the value of the cancelled lesson to be added to your account ("the Credit Option"). If you have been given the Credit Option your next automatic payment amount will be reduced by the equivalent value.
- 4.3 If you are unable to attend the replacement lesson offered to you, you must let us know within 7 days of notification. In this instance you will be given the Credit Option (see 4.2).
- 4.4 Should you decide to leave Puddle Ducks before the Credit has been used we will refund the Credit to you.

- 4.5 If your lesson is cancelled part way through, you will only be credited if you were in attendance, and for the part of the lesson that had to be cancelled, on a pro-rata basis.
- 4.6 If insufficient children are booked into your class, we reserve the right to cancel the class. In this instance you will be fully credited for any remaining lessons after the cancellation has occurred. We will offer you either (i) an alternative class or (ii) a monetary refund will be given.

5. Unable to attend a lesson?

- 5.1 If you know you are unable to attend a lesson please let us know, as soon as possible, either through your 'My Puddle Ducks' online account or by telephoning your local Puddle Ducks office. As a goodwill gesture, we will add the option for you to **book a 'Courtesy Class'** (see 5.1.6) through your 'My Puddle Ducks' online account or over the phone with your local office. A 'Courtesy Class' is an alternative lesson to your normal lesson on a different day or time or at a different pool, **subject to availability**. Please note that you could be swimming more than once per week.
- 5.2 Letting us know you can't attend with as much notice as possible frees up your space for someone else to book a Courtesy Class – it means the system works for everyone.
- 5.3 Your lesson payment has reserved your place just for you and if you miss a lesson for any reason we are unable to refund you. 'Courtesy Classes' are a goodwill gesture by us (Puddle Ducks) and are subject to availability. They have no cash value and no replacements or alternatives can be offered.
- 5.4 If, having let us know you are unable to attend your normal lesson, your circumstances change and you are, in fact, able to attend the lesson, you must speak to your local Puddle Ducks office in case another customer has booked a 'Courtesy Class' in your space. Please do not just turn up to your normal lesson as, if the lesson is full, you and/or your child will not be able to enter the pool for insurance reasons.
- 5.5 **Please note that 'Courtesy Classes' CANNOT be added on to the end of a block of lessons. They can only be taken by current paying customers and cannot be used to extend the original time period of your paid-for lessons.**
- 5.6 'Courtesy Class' bookings can be made a maximum of **6 days in advance** and **up to 1 hour before** the 'Courtesy Class' is due to take place. Bookings can be made through your 'My Puddle Ducks' online account or over the phone with your local office. A list of available lessons with spaces for that day and the next 6 days will be offered to you. There is no guarantee that there will be available lessons with spaces though. Please keep checking back as space in a lesson can vary up to 1 hour before the lesson takes place. You will receive a confirmation email once your booking has been made.
- 5.7 If you book a 'Courtesy Class' **with less than 24 hours to go** before the lesson is due to take place you will receive a confirmation text and email. Please show a print-out of the email, or the text/email on your phone*, to either the teacher

before entering the pool, to the poolside assistant, if present and/or to the pool operator (if you are attending a pool where they register your arrival on site). This is because your Teacher may have already printed their register and they need to know it's OK for you to attend the lesson before you enter the pool. This is to ensure that your details are added to our register for health and safety purposes.

- 5.8 *Puddle Ducks cannot accept any responsibility for the safety of mobile phones brought poolside.
- 5.9 'Courtesy Class' bookings **can be cancelled up to 24 hours in advance** of the lesson taking place through your 'My Puddle Ducks' online account. In this instance the 'Courtesy Class' option will be re-added to your account with the same expiry date as the original and can be booked again in the normal way.
- 5.10 If you are unable to cancel a 'Courtesy Class' booking more than 24 hours in advance and then fail to attend the booked 'Courtesy Class' no replacement or alternatives will be offered.
- 5.11 If you and/or your child have any health condition that affects you or your child's capabilities in the swimming pool, you must inform the teacher upon arrival at the 'Courtesy Class'. If this is not your regular teacher they will not be familiar with your personal situation and if you book the 'Courtesy Class' last minute, they may not have had chance to read your notes before the lesson. You must accept that you may not be able to partake in all the activities in the lesson.
- 5.12 If you are unable to book a 'Courtesy Class', either because there is no availability/space or because you don't have the flexibility to travel to alternative pools available, no replacements or alternatives will be offered.
- 5.13 'Courtesy Classes' can only be taken within your regular Puddle Ducks area.
- 5.14 A 'Courtesy Class' booking must be made within 6 months of issue.
- 5.15 A 'Courtesy Class' can only be attended if a space is available. Should the space be taken by a new customer booking, we reserve the right to cancel the 'Courtesy Class', even at short notice. We will send you a text message to inform you if this happens and add a new option for you to book a 'Courtesy Class' to your 'My Puddle Ducks' online account. This new booking must be made within 6 months of issue.
- 5.16 We do not provide 'Courtesy Classes' for Holiday Class bookings and you are not able to book a 'Courtesy Class' as part of a Holiday Class booking (see 3.1.7).

6. Cancellation Rights

- 6.1 **The cancellation rights available to consumers in accordance with their statutory rights apply to the classes provided by us.**
- 6.2 In addition to this, as a gesture of goodwill we give our customers rights to cancel in certain circumstances referred to below.
- 6.3 New Customers are children who are starting a Puddle Ducks class for the first time ("New Customers").

For New Customers we offer a 'Three lesson cancellation' policy. This means that any time before 48 hours prior to a New Customer's 4th scheduled lesson (whether or not that customer has attended the first 3 lessons) ("The New Customer Cancellation Period") a New Customer can contact us in writing (email is acceptable) for a full refund of all the remaining lessons. If a New Customer cancels after the New Customer Cancellation Period or does not put their cancellation in writing the New Customer will not be eligible for a refund.

- 6.4 If the New Customer has paid or part paid for their joining payment using a Swimming Lessons Gift Voucher, the relevant refund amount will go back on their My Puddle Ducks account as a Gift Voucher credit and will stay there for the remaining lifetime of the voucher, to be used in the future or expire, whichever is first.

7. Changes to terms and conditions

- 7.1 We reserve the right to make amendments to our Terms and Conditions at any time to reflect changes in our business or statutory obligations. The new version will be posted on our website and will take effect immediately upon posting. If applicable these changes will be communicated to all our customers by email. If you book lessons after the new Terms and Conditions have come into effect as part of your booking process you will indicate your agreement to be bound by them. Previous versions of our Terms and Conditions can be requested from info@puddleducks.com.

8. Behaviour & Responsibilities

- 8.1 All children attending the following Baby & Pre-school classes: Floaties, Splashers, Kickers, Little Dippers and Dippers, must be accompanied in the water by their adult carer.
- 8.2 Customers are responsible for the child in their care at all times (except during a class where the child is NOT accompanied in the water by an adult carer i.e. Swim Academy) and must inform the teacher prior to the lesson of any concerns they have.
- 8.3 If you need to bring a sibling along to your child's lesson to be left poolside please check with your local Puddle Ducks office as the spectator policy at the pool may or may not allow this. The sibling is the responsibility of you as the parent/carer at all times. If the sibling needs attention on the poolside, it is the sole responsibility of you as the parent/carer to undertake this. If you need to exit the pool, you cannot leave the swimmer with the teacher. Our recommendation is that you bring another supervising adult with you to the lesson.
- 8.4 Customers are expected to behave in a civilised manner towards the teacher, other Puddle Ducks customers, any member of the Puddle Ducks or Pool venue team and any members of the public who are using the same pool, and are expected to refrain from using foul language at all times.
- 8.5 Puddle Ducks may, at its own discretion, refuse entry to a customer if it is felt that the customer's behaviour is unacceptable.

- 8.6 Customers accept that at times there will be physical contact between the teacher and their child, which will always be carried out in a professional and caring manner.
- 8.7 It is the customer's responsibility to inform the local office and teacher of any condition that could affect their own or their child's capabilities in the swimming pool. You must agree to inform us of any changes, including pregnancy, as soon as you become aware of them. This can be updated by contacting your local office. All information provided to us will be treated as strictly confidential.
- 8.8 Unfortunately, we can only accommodate one person in the pool at a time with each child who must be either the child's parent or designated carer and be at least 16 years of age. Anyone new to the class must let the teacher know at the beginning of the session so they can provide the extra help and advice that will be needed. Spectators may be allowed, depending on individual pool facilities and regulations, but must be other family members or friends. Please check with your local office before attending each lesson as individual pool regulations can change without notice.
- 8.9 Customers must follow pool procedures as advised to them at the time of confirmation. Please adhere to the instructions given to you regarding car parking, entry and exit route to pools.
- 8.10 Customers should aim to arrive no more than 15 minutes before the lesson and leave no more than 15 minutes after the lesson to help ensure changing room comfort.
- 8.11 Car seats and push-chairs etc. should not be left in the changing rooms. Please contact your local office for details of where these can be left as this will depend on the individual pool facilities. There is strictly no push-chairs poolside at any pool.
- 8.12 Food is strictly forbidden in the pool buildings.
- 8.13 Please minimise mess on the floor e.g. mud or grass. Please inform a Puddle Ducks team member or pool staff if the floor is soiled.
- 8.14 Smoking, vaping and the use of e-cigarettes are strictly forbidden within any pool building or grounds.
- 8.15 All Puddle Ducks teachers hold a teaching qualification from either the Swimming Teacher's Association (STA) or Swim England, formerly known as the Amateur Swimming Association (ASA), the only official training providers of swimming teaching in the UK. In addition, all Puddle Ducks teachers undergo full in-house training to ensure they meet our rigorous teaching standards. All of our teachers are insured through either the STA or the IOS (insurance body for Swim England) and hold a lifesaving and safeguarding qualification as well as a valid DBS check.
- 8.16 The safety and well-being of your child or the child in your care is of the utmost importance to Puddle Ducks. We have a responsibility to report any inappropriate or suspicious behaviour to the relevant authorities.

WE DRAW YOUR ATTENTION TO THE CONTENTS OF THE FOLLOWING CLAUSE

9. Our Responsibility to you

- 9.1 **We do not exclude or limit in any way our liability to you where it would be unlawful to do so. This includes liability for death or personal injury caused by our negligence or the negligence of our employees, agents or subcontractors; for fraud or fraudulent misrepresentation.**
- 9.2 **In the absence of any proven negligence, lack of due diligence or breach of duty by the teacher(s), Puddle Ducks Franchising Ltd, its franchisees or employees, the participation of you, your spouse/partner, child or those in whose care you have placed your child for the purpose of attending or observing Puddle Ducks swimming sessions is done so entirely at your and their own risk.**
- 9.3 **Puddle Ducks will not accept any liability for articles lost, damaged or stolen.**
- 9.4 **Puddle Ducks cannot be held liable for the actions of third parties i.e. non-Puddle Ducks customers/team members and, therefore, excludes to the fullest extent possible by law, any liability arising from a breach of this section headed 'Photography' by any third party.**
- 9.5 **At Puddle Ducks are committed to ensuring that our changing facilities are as inclusive as possible, enabling all our customers, with diverse needs, to change with dignity, privacy, safety and comfort. We follow guidance on the 'safe use of changing rooms' from the Child Protection in Sport Unit as well as guidance from the Equality and Human Rights Commission on the lawful provision of separate-sex services. It is our policy to offer private, gender-neutral changing facilities wherever we are able. Where pools are not owned by Puddle Ducks and we therefore have limited influence over structural constraints, we will work with the pool owner to suggest reasonable adjustments to existing facilities to achieve this goal. Where only open-plan, separate-sex changing facilities are possible, and therefore we can't assure the privacy and dignity of all our customers, we ask that adults use the space that corresponds with their biological sex and will endeavour to find a suitable private space for anyone who needs more privacy. We recognise that parents are best placed to decide if their child is able to change without support, so children may change with or without their adult in whichever changing room makes them feel most safe and comfortable. Please contact your local franchise to discuss your specific needs and the local team will endeavour to find the most suitable venue for you. Trial lessons are often offered at no cost to ensure that a customer is comfortable with the facility and arrangements.**
- 9.6 **These terms and conditions do not affect your statutory rights.**

10. What to wear

- 10.1 We operate a **strict 'Double Nappy' policy for those children in Floaties, Splashers and Kickers** regardless of whether they are fully toilet/potty trained. This 'double nappy' policy must also be adhered to if your child is in any of our other classes if they are not fully toilet/potty trained regardless of age.

Double Nappy Policy:

- An approved snug-fitting neoprene (or other similar fabric) swim nappy (such as our Puddle Ducks Swim Nappy or one of a similar design i.e. with snug fitting cuffs at the waist and legs) must be worn with a swim under-nappy (either a reusable cotton, or similar fabric with, ideally, a disposable liner or a disposable paper swim nappy) underneath. You will not be allowed in the pool with a soiled nappy so must bring spare liners or disposable swim nappies in order to be allowed to enter or re-enter the pool.
 - Please gain approval from your local Puddle Ducks office if you are planning to use a swim nappy other than those available from our online shop.
 - Children are welcome to wear swimming costumes, swim trunks, baby wetsuits and other similar garments but must still wear the 'double nappy' underneath if the rules specified above apply to them.
 - There may be instances when a particular pool imposes stricter rules about what can or can't be worn in our lessons. For example, the requirement for all children 0-4 years old, regardless of class level or if they are potty trained, to wear a Double Nappy. In these instances you will be made aware of this by your local Puddle Ducks office.
 - Puddle Ducks reserves the right to refuse entry to any child who is not suitably dressed.
- 10.2 Swim Academy: Boys should wear trunks or jammers. Girls should wear a well-fitting one-piece swimming costume. Baggy 'Bermuda style' shorts or baggy swimming costumes are not allowed as these can cause drag in the water and could delay your child achieving a distance swim. Please also refer to our 'double nappy' policy above.
- 10.3 Children must remove loose fitting or sharp jewellery before swimming. Hoop earrings are not permitted.
- 10.4 All Swim Academy children must wear swim hats in the pool. Children in our Dippers and Dabblers classes are advised to wear swim hats in the pool.
- 10.5 Adults must wear appropriate swimwear in the pool, remove loose fitting or sharp jewellery, tie back long hair or wear a swim hat.
- 10.6 All plasters and hair clips must be removed before swimming due to the risk of them falling off in the water and damaging the pool filters.
- 10.7 Strictly no outdoor footwear poolside.
- 10.8 Goggles – We do not permit children to wear goggles in our Floaties, Splashers or Kickers swimming classes.
- 10.9 In Baby & Pre-school classes children are permitted to wear prescription glasses only if they have a strap at the back to stop them falling off. Children with prescription glasses are NOT permitted to jump in whilst wearing them. In Swim Academy classes, prescription glasses are not permitted – they must be replaced by prescription goggles.

11. Health & Safety

- 11.1 You must not bring your child swimming if they have any illness or contagious disease or infection such as an ear infection, scarlet fever, chicken pox, impetigo, conjunctivitis or a bad cold. We have been advised that you should

not bring your child into the pool for 48 hours after sickness and 2 weeks after suffering from diarrhoea. For any other illness and to avoid any doubt please wait until your doctor has given the all-clear before returning to classes.

- 11.2 Swimmers should not enter the pool until the teacher says it is safe to do so and must tell the teacher if leaving the pool before the end of the session.
- 11.3 Always change your baby on the floor using a suitable changing mat. Do not use any raised areas such as benches, trolleys or tables. This is to prevent babies from rolling onto the floor from high surfaces which can easily happen and is extremely distressing for all concerned.
- 11.4 Please take all your used nappies away with you unless a clearly marked nappy bin has been provided. Never leave nappies in an open bin (including those within the venue grounds). Please do not run or allow your child to run on the pool side, drink alcohol prior to the lesson, eat or chew gum during the lesson.
- 11.5 All swimmers must shower before getting into the pool. Please do not wear makeup or body lotion etc. as these significantly deteriorate the quality of the pool water.

12. Photography and Videos

- 12.1 **Please note that any mention of 'Photography' in these terms and conditions covers both the taking of photographs and video footage.**
- 12.2 Strictly no photography in changing rooms.
- 12.3 If you wish to take photographs or video footage during our lessons, you must adhere to the following terms. Any person not following these terms may be asked to leave the lesson and will not be permitted to continue with their Puddle Ducks journey:
 - 12.3.1 Photography can only take place in 'splash time' and must not interfere with the lesson. There must be no other customers in the background. Photography at any other time is strictly not allowed.
 - 12.3.2 Due to the format of the classes, photography is not allowed at any time during Swim Academy lessons.
 - 12.3.3 Photography is only permitted if your child/relative is moved to the side of the pool away from the rest of the customers so that they are not visible in the image.
 - 12.3.4 Underwater photographs or underwater videos are forbidden.
 - 12.3.5 Parents who are concerned that their child is in an image taken by another customer have the right to ask to view that image and for it to be deleted if they are in fact in the shot.
 - 12.3.6 Please remain sensitive to the feelings of others and always stop filming should you be asked to do so.
 - 12.3.7 You must adhere to pool rules at individual venues, some of which do not permit the use of photography equipment. If this is the case with your pool, we ask that you respect their policy.

- 12.3.8 Photography where the pool is shared with members of the public will not be permitted.
- 12.3.9 Puddle Ducks expressly forbids the right to reproduce any part of our lesson content in any form (e.g. on the internet, DVDs, photographs etc.)
- 12.3.10 Anyone suspected of filming or photographing the lessons for any purpose of publication will be asked to leave and will not be permitted to continue with their Puddle Ducks journey.
- 12.3.11 The teacher or poolside assistant in that lesson has the right to view the images taken and to delete any taken at the pool.
- 12.3.12 In all instances the decision of the Puddle Ducks team member is final.
- 12.3.13 From time to time members of the Puddle Ducks team may take photographs or videos for training or promotional purposes. If you do not want the child in your care to be in these photos please just let a member of the team know and they will ensure your child doesn't appear in any photos.

13. Lost Property and Valuables

- 13.1 All property left within any pool building or grounds including but not limited to: car park, entrance, spectators' areas, changing areas and poolside area, is left at your own risk. Please make sure you have all your belongings with you before leaving.
- 13.2 Lost property will be kept for a period of 3 weeks if found by a Puddle Ducks team member. If not claimed, it will be disposed of accordingly. Unfortunately, if an item is not found by a Puddle Ducks team member we cannot be held liable.
- 13.3 Please note odds and ends lost property such as shampoo, dummies, socks etc. will be disposed of at the end of each day.

14. Aquanatal Classes

- 14.1 In addition to all our other Terms and Conditions, those detailed below are applicable to our Aquanatal customers:
 - 14.1.1 All pregnant ladies must complete a PARQ which is available from their local office. If any answer on this is 'yes' they will be required to produce a medical certificate. The PARQ and, if relevant, the medical certificate must be returned to the local office or teacher before participating in a class.
 - 14.1.2 Your due date will be required and will be displayed on our class registers in order to be used by our teachers to help tailor our classes to your individual needs. Please see our 'Data protection and online security' section for further details.
- 14.2 **FREE Aquanatal classes with one-off admin fee** - you are able to attend these classes until your baby is born.
- 14.3 **Paid for Aquanatal classes (price per lesson with no admin fee)** - you are able to attend for the number of classes that you have pre-paid for whether this is before or after your baby is born

15. Teachers

Whilst we will try to ensure you always have the same teacher in a particular class, we cannot guarantee this as teachers may fall ill, leave or cancel for personal reasons. On occasion we may also need to have a new teacher join or lead your lesson in order to complete their teacher training or assessments. The quality of your lesson will in no way be affected by this.

16. Progression through our swimming programme levels

- 16.1 Our programme levels are designed around a child's physical and emotional development. Moving children into classes before a certain age could be physically difficult for them due to the activities we are doing but also emotionally as there is an expectation for them to understand instructions. We have therefore applied a minimum age to each level which is based around these considerations and must be adhered to (please see <http://www.puddleducks.com/programmes>).

17. Data Security and Online Security

- 17.1 In order to book a Puddle Ducks class you must register your details and those of your child/children with us.
